Dear Families,

2nd July 2024

As the end of the year approaches, I am pleased to share some staffing news with you in regards to next year.

Regretfully, after a year of dedication, one of our teachers, Miss Kinsley is moving on. She has built an incredibly strong rapport with the children and I know has been a much-loved class teacher in Year 3 and a popular member of staff within our school community. She is a positive, kind and dedicated teacher and she will be missed by us, but we thank her for all she has done and give her our very best wishes for the future.

We have one new teacher joining our staff at Coulston who will be taking Year 3. Mr Edwards is an experienced teacher with four years teaching experience and we were very impressed by him when we held an interview process just before half term. He is very excited to be joining our school and we are looking forward to welcoming him to Coulston. The children in Year 2 did meet him before half term when he taught a writing lesson based on the monarchy.

Please see below the staffing plans for next year in regards to the Teachers and Teaching Assistants who will be in each class. The children will be spending time in their new classes with their new teachers on Friday afternoon. There will be additional adults in some classes, but we will be speaking with families separately about these arrangements.

Many thanks,
Mr. Paul Garratty
