Monday 27th - Friday 31st October **JUST £27 PER DAY***

A proper Football Stadium

All-weather 3G pitch

Extensive indoor areas

Qualified & experienced tutors

<http://www.kids.football>

All-weather top-quality surface

Football games are on our all-weather synthetic grass 3G pitch so parents can be sure that their children will always be able to play on a top-quality, comfortable surface come rain or shine.

Indoor areas for extreme weather

Our 3G pitch can be played on regardless of the weather, but in the case of extreme weather we use two large indoor social areas adjacent to the 3G pitch. Parents can make their plans for the day in the knowledge that our holiday camp is never called off regardless of the weather.

What an experience!

Our Holiday courses are held at our own professional football stadium.

This is the same stadium & pitch that First Team games are played on. We have a range of football and games equipment to deliver the programme.

Qualified & Experienced tutors

Soccer camps are led by our own fully employed tutors. Our lead coaches hold Coaching, Education and 1st aid qualifications & have many years' experience in looking after children.

Meeting children's needs

The children who come to our holiday camps are of varied football abilities. For that reason, we have different activities and groupings at every stage of the daily programme so every child can enjoy playing with children of similar age and ability.

£27 per day
