Dear Parents & Carers,

5<sup>th</sup> March 2025

We have been asked if we would like to enter a team/teams for the Caterham, Oxted and Godstone Lions Club Swimathon on Saturday, 10th May 2025 from 1pm – 4pm at De Stafford School. This event is open to parents and children. Any money raised will be split 50/50 between us and the Lions Club. You are able to choose how many lengths you can swim but participants must be able to swim at least 25 metres.

We thought this would be a great way to raise money to replace the lights in the school hall, which are used for productions, whilst at the same time giving support to the local causes and charities chosen by the Lions. We were lucky enough to receive a financial donation towards the Butterfly Project last year in addition to the money raised at the Swimathon.

The number of teams we will be able to enter will depend on the places still available so we are keen to respond to the Lions as quickly as possible. If you or your child would like to participate, please complete the Google Form as soon as possible and at the latest by Monday 24th March. We can then arrange you into teams once we know how many team places the Lions will be able to allocate to us.
