## Behaviour Policy

At Coulsdon Church of England School, our vision is 'Together, Growing in Mind, Body and Spirit' in the hope that children can live life in all its fullness (John 10.10). We are very proud of the behaviour of our children at Coulsdon, but also realise that sometimes behaviour choices may need addressing to support children to be the best that they can be. We have developed our behaviour policy to be aligned with our vision, values and Biblical underpinning; it is designed to support the way in which all members of our school community can live and work happily together.

At Coulsdon Church of England Primary School we have high expectations of pupil behaviour. The promotion of good behaviour is of the highest importance as we believe that good behaviour is fundamental to a happy and successful school where children flourish.

The behaviour policy can be found on our website.

## Notes from the Head Teacher

Dear Families,

It was wonderful to see the crazy hairstyles of the children (and adults) today. Some were very creative, fun and brought lots of joy. Thank you for your participation and for supplying so many sweet jars for the tombola at the Village Fair.

I hope you have all managed to read the SIAMS report that was sent out in the week. There are so many positive comments and much to celebrate. We are very proud of our school community who work so hard to make Coulsdon such a wonderful school. The report is also available on our website.

*"The school goes 'above and beyond' with the support they provide, creating a caring community.*

*The curriculum is broad and enriched. It allows pupils to develop their 'body, mind and spirit.' As a result, pupils enjoy coming to school.*

*Pupils enjoy learning and speak about their progress and the range of enrichment activities with enthusiasm."*

A huge well done and thank you to all the children and adults who work together to make Coulsdon school the wonderful school it is.

I wish you all a lovely weekend.

## Reflection

In Thursday's collective worship the children reflected on how it feels to be worried. Rev Sue had a bag full of different worries which were weighing her down. She explored different ways to 'let go' of these worries, including through prayer and trusting in God.

**"Cast all your worries on him, because he cares for you."**
