- 4<sup>th</sup> Place – Year 1: 95%
- 5<sup>th</sup> Place – Year 3: 94.07%
- 6<sup>th</sup> Place – Year 2: 93%
- 7<sup>th</sup> Place – Year 6: 90.33%

### Meeting

Thank you again for all your support since the Ofsted report was released. If any of you do have questions or concerns you are welcome to attend a meeting at the school on Tuesday 9th at 7pm.

### Reflection

This week we spoke about Desmond Tutu and how he advocated for change for the better. The children considered equality and fairness and learned how Desmond Tutu peacefully made the world a fairer and better place. The children thought about things they would like to change, with environmental issues being high up on their agenda. We also considered some quotes from Desmond Tutu and reflected on their significance.

**“In God’s family, there are no outsiders, no enemies.”**

Desmond Tutu

## Notes from the Head Teacher

Dear Families,

The sun has finally arrived and it has been a lovely week in school this week.

Alongside all the learning in school, Year 2 went to Hampton Court to find out more about their topic “Magnificent Monarchs”. The children spoke really enthusiastically about the size of the Palace, the giant fire in the kitchen and the amazing gardens.

Year 5 were inspired by science experiments at their Science and Technology Day at Oasis Academy. They also had the opportunity to cook, and returned to school with very nice looking flapjacks!

We then finished the week with a theatre production of Alice in Wonderland. This was a great experience for the children and hopefully they have shared their excitement with you at home. I would like to thank all the people who have supported the Friends Committee as this opportunity was made possible by your kind donations and contributions.

The Year 5 children are having a sleepover at school tonight - I am sure they will have lots of fun but may well be a little tired tomorrow! Thank you to the staff who are helping out and staying at school to support this.

I wish you all a lovely weekend.

### Sun Hats & Suncream

Now the weather is getting hotter, please send children in with sunhats (clearly named) and refillable water bottles. Please also ensure that suncream is applied your child before they arrive at school. Thank you.
