### Thank You and Good Luck!

Although Mrs Hancox will be back with us for a week after the Easter holidays, I must thank her for all she has done for the school. I will write more after the holidays.

I must also thank Miss Howell, who has worked with a number of children in the school this term. We thank you for your dedication and support and wish you well in your next venture.

### Reflection

"This is the day that the Lord has made; let us rejoice and be glad in it."

Psalm 118:24

### Notes from the Head Teacher

Dear Families,

I find it amazing that it's Easter already - the term seems to have really flown past. It was great to have so many opportunities to enrich the children's experiences and education, including - a pantomime; science week; Storytelling Week; World Book Day; NSPCC Number Day; Anti-Bullying day; Young Voices Choir at the O2 Arena; Year 2 singing in the CSMA concert at the Fairfield Halls; participation, great sportsmanship and success at many different sporting events (please see overleaf for a round-up of the football and netball matches); Palace 4 Life workshops in Year 5; a variety of class trips; a range of visitors to the school; street dance lessons for Reception, Year 6 and Year 4; and a farm visit to Reception class.

We also opened the Butterfly Room and Sensory Room which are great additions to our school and testament to what a community can do when they work together.

The Easter Service was a wonderful way to end the term - I am sure you will agree that it was a lovely occasion with beautiful singing and performances.

I must thank all the staff and the community who make these events possible through their efforts and offers of support. Many of the events above would not have been possible if it was not for the work of The Friends and the generosity of our families.

I thank you all for all of your support and wish you a very restful Easter break.
