### Reflection

In Jono's Collective Worship, the children considered when David was chosen to be King by God. They discussed that it is not what people look like that matters most, it is the person on the inside that counts – how they live, what they believe and how they treat others that matters most.

**The outside may be pretty but it's what's on the inside that counts.**

1 Samuel 16.7

### Parking

Thank you to all the parents who are parking considerately when dropping off children and picking them up. We all have the best interests of the children at heart and continue to urge all parents to park in a way which makes it as safe as possible for all of our children around the school site.

## Notes from the Head Teacher

Dear Families

The end of term is quickly approaching and there are still some outings and events to come. The Year 6 children are practising hard for their end of term production which takes place next week, and the whole school will have a sneak preview at the dress rehearsal on Tuesday.

Just a reminder that the last day of term finishes at 1.30pm for children in Years R-5 and there is a church service at 9.30am for the Year 6 leavers to which all parents are warmly invited. As usual, we would be very grateful for parent volunteers to accompany the children on the walk to church and back again. Please speak to your child's class teacher if you can help.

I am pleased that the temperatures have dropped slightly which makes it more comfortable for everyone. It looks like the sun will continue to shine, however, so I hope you enjoy it and look forward to seeing you on Monday.

### Coulsdon Cluster Choir

A number of families were treated to a wonderful Choir Concert at Oasis Academy Coulsdon on Wednesday evening with children from eight local schools taking part in the show. The singing was amazing and it was impressive that some of our children were confident enough to sing solos in front of such a big audience. It was a lovely evening full of music, colour and joy and I must thank Mrs Jackson for all the effort and hard work she committed to bringing the schools together with such an impressive result.
