5th Place – Year 3: 96.55%

6th Place – Year 4: 95.83%

7th Place – Year 6: 92.76%

Notes from the Head Teacher

Dear Families,

As the weather gets colder, and possibly wetter, please can I remind you to provide a suitable coat for children to wear at playtimes and lunchtimes. Even if there is a little bit of rain, it is important that children get an opportunity to get outside where possible for fresh air and exercise. Please also make sure names are in clothing, including gloves, scarves etc.

I know lots of children are signed up to our movie night tonight. I am sure they will have a great time and I would like to thank the Friends for their organisation and the teachers for their time.

Year 6 PGL

Next week Year 6 will be travelling for a week of activities at PGL. This is always a great opportunity for children to try new things, form new friendships and develop their confidence. I am sure the children will enjoy themselves and we look forward to sharing some photos in next week's Chronicle.

I hope you all have a lovely weekend.

Year 2 Movers & Shakers Day

Year 2 had their Movers and Shakers Day today and it was wonderful to see them dressed up as famous people from the past. The children were able to speak confidently about who they came dressed as and the reasons that these people were famous. These experiences and activities are sure to lead to lasting knowledge and fond memories. Thank you to the families for the amazing costumes and for your support.

Reflection

I have included some pictures of children happily engaged in learning this week. They are a good example of how we try to meet our vision:

"That they should have life, life in all its fullness."

John 10.10

Supervision

Can I please remind parents that children need to be supervised in the playground at drop off and collection at the end of the day. At drop off, please make sure that children in Key Stage 1 are taken into the classroom by the teacher so that the children are all accounted for and not left in the playground.

Happy Learners at Coulsdon

Here are some pictures capturing learning. It is great to see children so engrossed and excited in their lessons.
