Dear Parents & Carers,

7th October 2024

'Through the Ages' Topic Day

To support our autumn term topic of 'Through the Ages', Year 3 will be having a special topic day where the children will be involved in various hands-on activities. This will take place on Friday 18th October and will be a wonderful opportunity for the children to explore and deepen their understanding of our topic.

Some of the activities we have planned including cave drawing, building Stone Age shelters, carving spear heads using bars of soap, hunting for wild animals around school and designing an outfit for someone living in the Stone Age.

On this day we would like to encourage the children to dress up in Stone Age clothing and would really appreciate your support with this at home. The costume does not need to be elaborate - there is no need for you to purchase an outfit. Please bear in mind that the children will still be going outside for break and lunchtime, so they will need to have appropriate footwear and a coat.

This will be a great learning experience for the children and in order to purchase the items needed, we are asking for a **voluntary contribution of £2.20** to be paid on ParentPay in the usual way.

We hope that the children will enjoy the day.

Thank you for your support.

Mr J Edwards

Class Teacher
