Dear Parents and Carers,

2nd May 2025

Year 4 Trip to the Science Museum

On Wednesday 21st May, Year 4 will be visiting the Science Museum so that the children can gain real-life experiences of science and discover some of the most iconic items that have shaped our society. This ties in well with our current topic on 'Electricity' and how electrical appliances have changed over the years. The children will also have the opportunity to participate in interactive exhibitions, and take part in a "Wonder Show" demonstration, designed to inspire children about science.

We will be travelling to and from London using public transport, taking the train from Coulston South Station to Blackfriars, then changing to take the tube to South Kensington. The museum is a short walk from there.

We will be leaving school after morning registration and are expecting to arrive back at Coulston South Station at 3.25pm. Please arrange to collect your child from the Reddown Road exit of Coulston South Station at this time. This is obviously dependent on trains running on time, and we will notify you by text if the children will be delayed. If your child has siblings at the school, please collect them first before going to the station. I will keep the children safely with me until you arrive. If your child will be attending the after-school wraparound care club, we will bring them back to school with us on the bus.

We will be taking packed lunches with us which will have been prepared by the school caterers, and the children will order their fillings in advance. Children should wear full, smart school uniform and bring a waterproof coat. They will also need a small, named rucksack-type bag to carry their water bottle and packed lunch.

The cost of this trip is £2.85 and this should be made on ParentPay in the usual way.

Please give consent for your child to take part in this trip by completing the Google form (link attached). We would be very grateful for parental help on this outing, so if you are available and would like to come with us, please indicate this on the Google form and we will be in touch with you.

If you have any questions, please come and speak to me.

Yours faithfully,

Mrs L Pullin
Class Teacher
