1. Introduction and aims

At Coulsdon C of E Primary, our policy aims to:

- Ensure our environment is mobile phone-free by default
- Ensure the safe, responsible and lawful use of mobile phones, where applicable
- Provide clear guidelines for the use of mobile phones for pupils, staff, parents/carers, visitors and volunteers
- Support the school's other policies, especially those related to child protection and behaviour

This policy also aims to address some of the challenges posed by mobile phones in school, such as:

- Risks to child protection
- Data protection issues
- Risk of theft, loss or damage
- Appropriate use of technology for learning purposes

Note: throughout this policy, 'mobile phones' refers to mobile phones and similar devices.

2. Relevant guidance

This policy meets the requirements of section 36 of the [Children's Wellbeing and Schools Act 2026](#), and the Department for Education (DfE)'s [mobile phone guidance](#) and [behaviour guidance](#). Further guidance that should be considered alongside this policy includes [Keeping Children Safe in Education](#), which sets out the expectation that all schools should be mobile phone-free environments by default.

3. Roles and responsibilities

3.1 Staff

All staff (including teachers, support staff and supply staff) are required to actively enforce this policy and challenge any breach of mobile phone restrictions immediately and consistently.

Volunteers, or anyone else otherwise engaged by the school, must alert a member of staff if they witness, or are aware of, a breach of this policy.

The headteacher is responsible for monitoring the policy and reviewing it every two years, and holding staff and pupils accountable for its implementation.

Staff will address any questions or concerns from parents/carers quickly, and clearly communicate the reasons for prohibiting the use of mobile phones.

4. Use of mobile phones by staff

4.1 Personal mobile phones

Staff (including volunteers, contractors and anyone else otherwise engaged by the school) are not permitted to use their personal mobile phone during the school day, or while pupils are present. Use of personal mobile phones must be restricted to non-contact time, and to areas of the school where pupils are not present (such as the staffroom).

There may be circumstances in which it's appropriate for a member of staff to have use of their phone during contact time, for personal reasons. For instance (this list is non-exhaustive):

- For emergency contact by their child, or their child's school
- In the case of acutely ill dependents or family members

The headteacher will decide on a case-by-basis whether to allow for special arrangements. If the phone is needed in an emergency, this should still be done away from children in the staffroom or other suitable area away from children.

It is recommended that school staff use the school office number 01737554789 as a point of emergency contact.

4.2 Data protection

Staff must not use their personal mobile phones to process personal data, or any other confidential school information, including entering such data into generative artificial intelligence (AI) tools such as chatbots (e.g. ChatGPT and Google Gemini). Further information can be found in the school's data protection policy and ICT acceptable use policy.

4.3 Safeguarding

Staff must not give their personal contact details to parents/carers or pupils, including by connecting through social media and messaging apps.

Staff must avoid publicising their contact details on any social media platform or website, to avoid unwanted contact by parents/carers or pupils.

Staff must not use their personal mobile phones to take photographs or recordings of pupils, their work, or anything else that could identify a pupil. If it's necessary to take photos or recordings as part of a lesson / school trip / activity, this must be done using school equipment.

4.4 Using personal mobiles for work purposes

In some circumstances, it may be appropriate for staff to use personal mobile phones or a similar device during the school day in front of pupils for work. Such circumstances may include, but are not limited to:

- Use of multi-factor authentication
- Emergency evacuations
- Supervising off-site trips

- Supervising residential visits

In these circumstances, staff will:

- Use their mobile phones in an appropriate and professional manner, in line with our staff code of conduct
- Not use their phones to take photographs or recordings of pupils, their work, or anything else that could identify a pupil
- Refrain from using their phones to contact parents/carers unless an emergency or authorized by the trio leader. Where possible, contact must be made via the school office.

4.5 Work phones (if provided)

Some members of staff are provided with a mobile phone by the school for work purposes.

Only authorised staff are permitted to use school phones, and access to the phone must not be provided to anyone without authorisation.

Staff must:

- Only use school phone functions for work purposes, including making/receiving calls, sending/receiving emails or other communications, or using the internet
- Make sure that all communication and conduct linked to the device is appropriate and professional at all times, in line with our staff code of conduct

4.6 Sanctions

Staff that fail to adhere to this policy may face disciplinary action.

See the school's staff disciplinary policy for more information.

5. Use of mobile phones by pupils

Pupils must not use their mobile phones during the school day, including during lessons, in the time between lessons, at breaktimes and at lunchtimes, unless explicitly authorised by a member of staff (for example, for a specific medical reason).

- Children in Years 5 and 6 are allowed to bring in mobile phones.
- The children are not allowed to use phones on the school premises, even in the playground before the start of school.
- Phones will be turned off and handed into the class teacher upon arrival to class. They will be stored in the class cupboard.

Pupils will be taught the risks that are associated with the use of mobile phones, both in school and more broadly, to make sure they understand the decision to prohibit the use of mobile phones throughout the school day. These risks can include a loss of focus in lessons, classroom disruption and an increase in bullying. Pupils will be encouraged to see a mobile-phone free environment as desirable and valuable.

5.1 Use of smartwatches by pupils

The DfE's statutory [mobile phones guidance](#) includes in the term 'mobile phones' all devices with communications and smart technology that the school chooses to include in its policy.

Smartwatches are wristwatches with smart technology in them. They can be used to tell the time, send and receive text and voice messages, make calls and listen to music. Some smartwatches have wellness and health-related features.

- Smartwatches, or any watch with the capability to connect to the internet, are not permitted for pupils in school or on trips.
- If a smartwatch is worn, this may be taken from the child and kept until the end of the day. It will then be returned to the parent, or child if they walk home by themselves.

5.2 Sanctions

If a child is seen using a mobile phone on the school premises, the following sanctions will apply:

- The child (if allowed a mobile) will be reminded to turn the phone off and put it away if at the start of the day before the bell rings
- If a child is using a mobile phone during school hours it will be confiscated and kept in the school office. Parents will be contacted and the phone will be either returned to the parents, if the parent is collecting the child, or sent home with the child with the knowledge of the parents. (Schools are permitted to confiscate phones from pupils under [sections 91](#) and [94](#) of the Education and Inspections Act 2006).
- Sanctions will be applied in line with the Coulsdon C of E behaviour policy.

In each case, the sanction given must be reasonable and proportionate. The school will also consider whether:

- There are any relevant special circumstances (for example, age, religious requirements, special educational needs (SEN), disability)
- The pupil's behaviour may indicate they may be suffering, or at risk of, harm. If this is suspected, staff will follow the appropriate procedure set out in [Keeping Children Safe in Education](#). This will include speaking with the designated safeguarding lead (DSL) or deputy, who will consider whether pastoral support, an early intervention, or a referral to children's social care is appropriate

Depending on the age of your pupils, you may also wish to add:

Certain types of conduct, bullying or harassment can be classified as criminal conduct. The school takes such conduct extremely seriously and will involve the police or other agencies as appropriate.

Such conduct includes, but is not limited to:

- Making of or sharing nudes and semi-nudes including images that are digitally altered or wholly generated using AI (such as 'deepfakes' or 'deep nudes')
- Upskirting
- Threats of violence or assault
- Abusive calls, emails, social media posts or texts directed at someone on the basis of someone's ethnicity, religious beliefs or sexual orientation

6. Use of mobile phones by parents/carers, volunteers and visitors

Parents and carers are encouraged to reinforce and discuss this policy at home as appropriate, including the risks associated with mobile phone use and the benefits of a mobile phone-free environment.

Parents/carers, visitors and volunteers (including governors and contractors) must adhere to this policy as it relates to staff if they are on the school site during the school day.

This means:

- Not taking pictures or recordings of pupils, unless it's at a public event (such as a school fair), or of their own child
- Using any photographs or recordings for personal use only, and not posting on social media without consent
- Not using phones in lessons, when working with pupils or while children are present

Parents/carers, visitors and volunteers will be informed of the rules for mobile phone use when they sign in at reception or attend a public event at school.

Parents/carers or volunteers supervising school trips or residential visits must not:

- Use their phone to make contact with other parents/carers unless requested by the teacher in charge.
- Take photos or recordings of pupils, their work, or anything else that could identify a pupil.

Parents/carers or volunteers supervising trips are also responsible for enforcing the school's policy for pupils using their phones, but must refer any proposed sanctions to a member of staff, as they do not have the power to search or confiscate devices.

Parents/carers must use the school office as the first point of contact if they need to get in touch with their child during the school day. They must not try to contact their child on their personal mobile during the school day.

7. Loss, theft or damage

Pupils bringing mobile phones to school must make sure that their phones are appropriately labelled, ready to be stored away securely in the Year 5 or 6 cupboard, depending on the age of your child, when not in use during the school day.

Pupils must secure their mobile phones as much as possible, including using passwords or pin codes to protect access to the phone's functions. Staff must also secure their personal phones, as well as any work phone provided to them. Failure by staff to do so could result in data breaches.

The school accepts no responsibility for mobile phones or smartwatches that are lost, damaged or stolen on school premises or transport, during school visits or trips, or while pupils are travelling to or from school.

The school will:

- Include disclaimers in permission forms for bringing a phone to school.
- Store confiscated phones in the school office as securely as possible. Parents will be contacted and encouraged to pick the phone up as soon as possible.

Lost phones should be returned to the school office. The school will then attempt to contact the owner.

8. Monitoring and review

The school is committed to making sure that this policy has a positive impact on pupils' education, behaviour and welfare. When reviewing the policy, the school will take into account:

- Feedback from parents/carers and pupils
- Feedback from staff
- Records of behaviour and safeguarding incidents
- Relevant advice from the DfE, the local authority and any other relevant organisations

If there are any concerns regarding this policy, these should be brought to the attention of the headteacher by contacting the school office on 01737554789 or at office@ccofoe.uk.

9. Appendix 1: Code of conduct for pupils allowed to bring their phones to school
